

Filiala de Înmagazinare Gaze Naturale DEPOGAZ Ploiești SRL

Press release regarding the extension of the deadline for submitting requests for access to storage – storage cycle 2025 – 2026

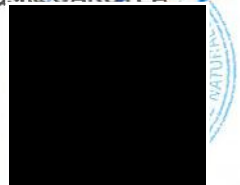

Considering the following:

- Regulation for programming and operation of underground storage facilities for natural gas, approved by Order of the President of ANRE no. 141/2021;
- Draft Order for the approval of the Methodology regarding the determination of the minimum natural gas stock level mandatory to be established in underground storage facilities during the period April 1, 2025-October 31, 2025;
- Address no. 6188/23.01.2025, transmitted by the Romanian Energy Regulatory Authority;

We hereby announce that the deadline for submitting the access to underground storage requests for storage cycle 2025 – 2026, will be extended until the date of entry into force of the following documents:

- Order for the approval of the Methodology regarding the determination of the minimum natural gas stock level mandatory to be established in underground storage facilities during the period April 1, 2025-October 31, 2025;
- Decision of the President of the National Energy Regulatory Authority to establish the minimum mandatory stock of natural gas to be established in underground storage facilities.
